

RSS Baseball Academy

ARE YOU INTERESTED IN TAKING BASEBALL AS A COURSE AT RSS?

The Rutland Secondary School Baseball Academy is intended to provide students with an opportunity to further enhance their baseball skills and to grow personally in the sport of baseball.

Students will be able to pursue a passion for active living and giving back to the community by developing their knowledge and skills in the sport of baseball. Participants in the program will be expected to play baseball outside of school and work/volunteer as coaches of younger players and/or officials at local games. Elite players will be encouraged to pursue baseball at a university and/or professional level upon graduation from high school.

To ensure a high quality program, there will be two head baseball instructors at all times. These head baseball instructors have both collegiate and professional experience in the sport of baseball.

Training will take place at various venues including Elk's Stadium, CNC, Edith Gay Park and Rutland Senior Secondary.

Students will enroll in the baseball academy for first semester of their grade 10, 11 or 12 years and will receive 4 external course credits at the grade 10, 11 or 12 level.

Students in the baseball academy will receive approximately 100 hours of baseball instruction following Baseball Canada (www.baseball.ca) Long Term Athlete Development (LTAD) curriculum.

The cost of the program will be \$1200.00

A minimum number of 25 students will be required to offer the program.

An information session will be held at Rutland Senior Secondary School on March 2, 2010 at 7:00pm.

Program contact: Dale Popp - 250-215-4868 or dpopp@sd23.bc.ca
